

## MAGNUS HEALTH FORMS

We use Magnus Health to collect and store your student's health and medical information for the upcoming school year. Automatic reminder emails are sent weekly (Mondays) for outstanding or soon-to-expire requirements.

**All requirements must be up to date PRIOR to the start of school/sports.**

Simply login to your child's Magnus health account on your computer *or* smart device and find items marked with a "To Do" flag.

**INCOMING FRESHMEN:** You will receive a welcome email with information to create your credentials for Magnus on or about May 20.

**All requirements and information must be renewed EVERY YEAR.**

- Annual Doctors' Forms – Physical exam and dental forms are valid for 1 year from the **date of exam**. All other physician-signed forms expire 1 year from the **date signed**. Please print out these forms and take them with you to your child's appointment. Once signed, upload the forms back to Magnus Health.
  - These forms include: physicals/immunizations, over-the-counter and prescription medications authorization, action plans, and more.
    - **ALL** students require a **yearly dental** exam form in Magnus.
- Electronically signed documents – You will need to sign the **Health History & Waiver each year**.
- Action Plans – Students diagnosed with asthma, food allergies, diabetes, or seizure disorders should have a physician complete and sign each applicable action plan. Once completed, please upload into the proper requirement.
  - These forms expire 1 year from the date signed.
  - If this does not apply to your child, please answer "No" to those requirements.

**ALL RISING JUNIORS** must upload documentation of a **dose of Meningococcal ACYW** (not Meningococcal B) vaccination in their child's "immunization requirement" in Magnus. The dose must be **given at the age of 16**.

If your child requires an immunization exemption, please email the DC Department of health directly at [doh.immunization@dc.gov](mailto:doh.immunization@dc.gov)

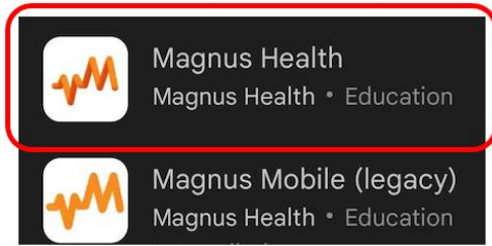

Uploading completed forms can be done on your computer *or* through the Magnus Health app on your smartphone.

- Any changes to your child's health?
  - You can update your child's health record in Magnus 365 days/24 hours a day.
- Need help with Magnus, please contact the Magnus Help Line at 877-461-6831.

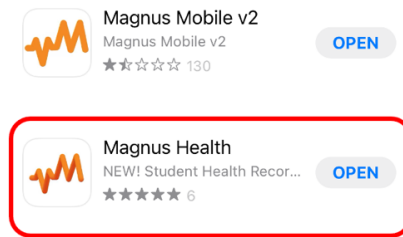

## DIRECTIONS FOR DOWNLOADING THE **MAGNUS APP** ON YOUR SMART DEVICE

Search the App Store or Google Play store for the **Magnus Health** (circled in red below) and download it onto your mobile device.

### Google Play Store

### Apple App Store

The first time you log in, you will be asked if you want to save your credentials and if you want to use either Face ID or Touch ID (depending on your device). These prompts will be asked only the first time you log in.

\*You can complete all requirements through the app including taking a picture of physician forms and uploading them directly into your student's medical record (SMR).\*
